Mr. Sheldon Stoilen
British Columbia Ferries Commissioner
BC Ferry Commission
PO Box 9279 Stn Prov Gov
Victoria, BC V8W 9J7

Dear Mr. Stoilen:

**Re: Routes 5 and 9 – Application Pursuant to Section 43 of the
Coastal Ferry Act**

We are writing to provide a correction to British Columbia Ferry Services Inc.'s ("BC Ferries") application of May 7, 2018 ("the Application") pursuant to section 43 of the *Coastal Ferry Act* for authorization from the British Columbia Ferries Commissioner to temporarily reduce service below the core service levels set out in the Coastal Ferry Services Contract for designated ferry routes 5 (Swartz Bay to the Gulf Islands) and 9 (Tsawwassen to the Southern Gulf Islands).

In the Application, BC Ferries provided the cumulative and consecutive days of service disruption in the current fiscal year for routes 5, 5A and 9 to May 7, 2018, as well as those projected to mid-May. The Application understated by one day the cumulative service disruption to May 7 and for the period April 18 to May 17 for route 5A; and overstated by one day the cumulative service disruption to May 7 and for the period April 18 to May 17 for route 9.

The corrected cumulative days of service disruption are set out in the table below:

| | Up to May 7, 2018 | April 18 to May 17 |
|----------|--------------------------|---------------------------|
| Route 5 | 17 days | 26 days |
| Route 5A | 5 days | 6 days |
| Route 9 | 14 days | 23 days |

BC Ferries apologizes for this error. Should additional information be required in respect of this matter, please contact us.

Sincerely,

Cynthia M. Lukaitis
Vice President and Corporate Secretary
