Interested Parties,

As set out in the Commissioner's "Revised Notice of Procedures Regarding Drop Trailer Regulation under Section 45.1 of the Coastal Ferry Act" all Interested Parties will be provided the opportunity to submit a final response to any other submission received by the Commissioner by May 20, 2016. This is to provide notice that the deadline for submissions has passed, and the Commissioner will accept final responses until end of day on June 10, 2016. Replies should be short, to the point, and limited to matters that could not be reasonably have been anticipated as being in issue when the party's original argument was filed. It should not be used to repeat earlier arguments or to split an Applicant's case, where a party has not put their full evidence or submissions in at first instance.
