- For the purpose of comparison, going forward, simply add 99.04 to the rebased index to approximate what the index would have been had it not been rebased.
 Notes: - Price cap and weighted average fare indices are calculated in accordance with Commission orders 06-01 and 11-03. Annual price cap increases are the same for all route groups but may differ on a quarterly basis as they are phased in based on seasonality of traffic flows and revenues for each route group.
